HOLLYWOOD, FL – The City of Hollywood will host a ribbon cutting ceremony for a new local park. The grand opening of the new Washington Street Park will begin will take place on Tuesday, January 23 at 5:30 p.m. The park is located at 5208 Washington Street.

Enhancements include the installation of various new features, such as: an asphalt walking path, five metal benches, a vinyl coated chain link fence, decorative lamp posts, two post mounted receptacles and a drinking fountain. In addition, a new irrigation system with rust inhibitor has been installed at the area's existing well. The entire site was resodded and adorned with Poinciana and Live Oak trees. Park visitors can also enjoy a game of checkers or chess on two new concrete game tables.

Approved by voters in 2004, funding from the General Obligation Bond has helped the idea of the new park become a reality.
