Hollywood to Host Senior Empowerment Luncheon on May 9
City to Honor Senior Citizens for "Immeasurable" Contributions

HOLLYWOOD, FL – Senior citizens volunteer their time every day in all areas of the community. They provide invaluable service in City of Hollywood offices, hospitals, schools, churches and synagogues to enhance the quality of life for residents.

The City of Hollywood's Department of Housing and Community Redevelopment, in partnership with Visions of Images, Link-Up Florida and Lifeline Assistance Programs, will host the Senior Empowerment Luncheon from 10 a.m. to 2 p.m. on Wednesday, May 9. The luncheon will take place at the Fred Lippman Multi-Purpose Center, located at 2030 Polk Street in Hollywood.

In celebration of Older Americans Month, the luncheon will honor and acknowledge the vast contributions made by senior citizens. In addition to lunch, the event will include workshops to teach senior citizens how to safe guard their personal property and prevent identity theft. An array of vendors will provide information on specialized services tailored to senior citizens and their families and caregivers. And, a representative from Link-Up Florida and Lifeline Assistance Programs will assist with providing affordable telephone service to low-income seniors.

"The City of Hollywood is blessed with a large number of older residents who add vibrancy and richness to the character of our community and who have given so much to their neighborhoods. We want to honor them and give them the tools they need to continue to lead productive, safe, and happy lives," said Mayor Mara Giulianti.

For more information, please contact Jeannette Smith in the Department of Housing and Community Redevelopment at (954) 921-3271.
