

# AES COMPLIANCE SEMINARS IN ENGLISH & SPANISH

## AES Compliance Seminars in English & Spanish

DEAR CLIENTS AND PARTNERS:

Failure to file, filing late, or false filing of export information on the **Automated Export System (AES)** could result in costly penalties and seizure of shipments. Join our inaugural series of seminars and workshops on the **AES** in English and Spanish **March 9-12, 2010** and save \$\$ for your company!

The federal government now requires mandatory electronic filing of export information through the Automated Export System for all U.S. export shipments that previously required a Shipper's Export Declaration (SED). Don't miss this opportunity to learn about the filing requirements of the Foreign Trade Regulations (FTR) and get trained by Census officials on the AES PcLink!

**Courses are available in English and Spanish.**
