

H.E.L.P for Small Business Owners

HOLLYWOOD'S ECONOMIC LENDER'S PARTNERSHIP

Need capital to expand your business?

The new H.E.L.P. Financial Consortium, consisting of the Hollywood Office of Business and International Trade, area banks and other financial institutions, was created to streamline access to capital for businesses.

Business owners can submit a single loan application to the Consortium for review by several financial institutions. This process allows multiple lenders to review a loan application without negatively impacting a business owner's credit score through numerous inquiries to credit reporting agencies. Apply for loans from \$1,000 up to \$5 million.

Here's how to apply...

- Download an application at www.hollywoodfl.org, choose **Business & International Trade** from the Select an Agency menu and click on **Business Assistance**. Applications are also available at Hollywood City Hall, 2600 Hollywood Boulevard, Room 422, 954.921.3388
- Return completed loan applications by mail or deliver to City Hall, Office of Business & International Trade, 2600 Hollywood Boulevard, Room 422, Hollywood, FL 33022
- H.E.L.P. members will meet monthly to review loan applications and determine whether one or more consortium members is interested in making a loan
- After review, the business loan applicants will be notified of their status by the City's Office of Business & International Trade
