

## ONE-STOP BUSINESS SERVICES CENTER

Monthly through March 2011  
10:30 a.m.- 12:00 noon  
Hollywood Branch Library  
2600 Hollywood Blvd  
Multi-Purpose Room

The free One-Stop Business Services Center is an opportunity for new and potential business owners in Hollywood to meet with City department representatives to obtain information about opening a business in Hollywood. Attendees will receive the City's official New Business Guide and a checklist detailing the process for opening a business.

***Get answers to questions such as:***

- What licenses am I required to obtain to open my business?
- What areas in the City are zoned for my business or industry?
- What types of business services and programs does the City provide?
- What forms and applications will I need to complete?
